

ROLE of MATCH and HANDICAP COMMITTEE

Over the last 5 years the Committee's work has covered amendments to the Stroke Indices on the Ailsa and Kintyre courses, the use of distance measuring devices in competitions, the arrangements for the draws in the Club Championships, the introduction of local rules and the annual handicap review.

The Committee also organises the Captain v Vice Captain match, the Member/Guest Day, the TriAm and the Autumn Shotgun.

Members are welcome to raise any matters pertaining to match and handicap with any of the members of the Match and Handicap Committee for consideration and are strongly encouraged to do so.
