

Turnberry Golf Club – Insurance

The Club does have insurance which includes Public Liability with cover up to £1,000,000. This covers injury caused by a Member to other Members and Players while taking part in golfing activities on the Turnberry courses.

Many Members will have their own private policies which will provide much more extensive cover viz., equipment (theft, loss, damage), Personal Liability (£5,000,000) Personal Accident, Accidental Damage to Third Party Property, Hole in One, Personal Effects, Club Subscription Reimbursement etc.

The cost of such policies is only about £25 per year and details can be found in leaflets in the Competition Room of the Clubhouse.
